Houston, TEXAS.

Dear Hon. Chief Judge Ricardo H. Hinojosa,

Greetings. Please see the attached Financial Disclosure Report filed by the Federal court district Judge Lynn Hughes of Houston, Texas.

In spite of having clear conflict of interest and Judge himself admitting to conflict of interest, he still continues on the case.

The Rule of law applies to everybody in United State of America.

**What is the point of filing a report about financial disclosures and have conflict of interest and STILL no compliance by the Judge in higher positions in the courts ?**

Hope somebody will intervene and make things right for the minorities and Americans to put their belief in the American judicial courts/systems.

We thank you for the time to consider reading and appreciate anticipating for justice.
